Dear April and Gary,

On behalf of Alive Wellness Centre we would like to invite you to be a part of an exciting new Health and Wellness Expo being held at the Bendigo Stadium on the 9th and 10th October 2010.

This unique event will solely focus on better health through Chiropractic Care, Naturopathy, Nutrition, Biomedicine, Kinesiology and many other Complementary Therapies.

We are presenting this Expo in support of the Australian Spinal Research Foundation which primarily funds research and disseminates knowledge that furthers the understanding, development and effectiveness of chiropractic care.

This inaugural event aims to showcase the extraordinary array of healing modalities over 2 days where guest speakers, both nationally and internationally will impart their knowledge on the most common health topics prevalent today.

Cancer, diabetes, obesity and mental health issues are continually on the increase, so this is the key opportunity for specialists in these fields to come together to network, but most importantly inform the public on the many lasting benefits of natural health care.

Over 70 exhibitors will be in attendance covering health, fitness, meditation, nutrition, education, and much more. You have been selected to join us in the quest to educate the people whilst financially supporting the foundation.

The cost for each exhibit starts from \$600 per booth for the two days.
This includes advertising using your Logo and any details you wish to promote.
Setup is 8.30am Saturday 9th October and doors will officially open between 10am – 5pm both days.

There will be raffles, demonstrations, entertainment and an information centre for general enquiries. Advertising will be extensive, covering the entire Central Victorian region, inviting families and professionals alike.

The theme of the Expo will be “7 THINGS YOUR DOCTOR FORGOT TO TELL YOU” a guide for optimum health written by Dr. Warren Sipser and Andi Lew. This in itself promises to be a drawcard for the public with the message of the wonderful benefits of chiropractic care.

If this is of interest to you, please contact Annie May at your earliest convenience on 03 5443 1426 or 0422 815 342 at the Alive Wellness Centre or email anniemay@impulse.net.au.

We look forward to sharing this experience with you.

Kind regards

Annie May
